

**AMENDMENTS TO THE SPECIFICATION:**

Please amend the specification as follows:

[0070] Also in FIG. 3(D E), the screen shows the guide display gd and the selection item display ST. The guide display gd indicates what the selected capture assist marker means. The selection item display ST contains two selection items "OFF (disable)" and "ON (enable)" to display or hide the capture assist marker. Similarly to the case described with reference to FIG. 3(C), the user can display or hide the safety zone marker.
